Build New Business Relationships

P1-RacingSchool.com

Produced by:

We would like to invite you to utilize our program where we mix business with real racing programs.

Welcome to the Festival of Speed, where you can host your own corporate team or group and race in professionally prepared go-karts on a real race track. As a host, your job will be to create and manage your team's strategy in order to win the title: Chicagoland's Fastest Company.

Your team of five will be hosted by a "Pole Position Grid Girl" and help you manage your race day, business networking area and your guests.

Autobahn Country Club in Joliet, IL

Thursday—October 21, 2010

This all inclusive turn-key event will not only impress your guests, but should build natural business relationships between your group and the other competitors.

Events like golf are great, but it's hard to interact with the clients at this level and with all the other guests--limiting interaction. A racing event like this will push the limits of your guests on the track, create a strong bond, and deliver a return on investment unlike any other function.

Contact us today at (312) 285-7223 for more information or to sign up !

ENDURANCE KARTING

BUSINESS IN THE **FAST** LANE !

Your team of 5 drivers will participate in an endurance karting race in a Le Mans format, which requires you to do driver exchanges in strategically placed pit stops. The team completing the most laps on this grand prix style course in the 3 hours will take the checkered flag.

TEAMWORK

STRATEGY

The Building Blocks of Business.....

We want your experience off the track just as exciting as on the track. You will have a “Grid Girl” working with you and your guests upon arrival. You will be nicely guided through the day from your on track experience, assistance with your business networking station, and enjoy great food and beverages throughout the event.

The Networking Station: This is where you can display your information, products or have live demonstrations of your product or services. We will work with you to make sure you have the right set up and required items to make sure you are promoting your business on and off the track.

Food & Beverage: Your catering will be food will be first class and offer plenty of nourishment before or after the on track experience.

Massage Station: Coming off the track you may not feel all the muscles you forgot about from high school, until the morning. So that is why we offer a complimentary chair massage open through the event.
